Card 1 of 2

(PA-1512)

corner entrance tympanums, bands of canted and black brick. Built ca. 1875, Frank Furness of Furness and Hewitt, architect; altered, enlarged 1894, Furness, Evans and Co., architects; interior altered to apartments later. An early Furness townhouse that established a pattern of texture and silhouette copied by Philadelphia developers for the next two decades. 1 ext. photo (1973).

Card Prepared 1979.
